Summer Registration 2011

Please fill out and return this **Summer Lesson Registration Form** to help us better accommodate your summer schedule when we are trying to arrange summer lessons. Please fill out your scheduling preferences below, and return this form to your teacher or in the tuition box. (Unless otherwise noted in your preferences below, siblings will be scheduled back-to-back or at the same time with two different teachers.) We will begin the process of scheduling lessons mid-April, and will notify you of your summer lesson times as soon as we can. Our summer lessons will be scheduled on a first come, first served basis. It is helpful to know which weeks ARE NOT an option for you, as well as your preferred 6 weeks!

Please remember that your tuition for June and July stays the same, and includes 6 lessons. There is no tuition due in August. If you would like more then 6 lessons over the summer, please let us know. (Each additional 30-minute lesson will be \$12.)
