

Bemidji Music Studio is now offering

MUSIC & MOVEMENT CLASSES

What: A music and movement class for the young learner! We focus on the development of the child, and not their musical abilities. This class will introduce them to different rhythm instruments, musical styles, singing, dancing and moving along with the music. We move at a pace just right for this busy age group, which allows for growth and independence for your busy toddler/preschooler, as well as develop a sense of confidence in the repetition and "favorites" of the class! This class is perfect for a young music lover who isn't quite ready for the structure of a weekly private lesson.

When: Fridays 9:45-10:30am from September 16th – November 4th

Who: Children ages 2-4 (Parents will attend class with the child, and be as active as they/their child desires them to be. If your child does not need you to participate, you can simply enjoy watching as they learn, develop and grow in their love for music!)

Where: Bemidji Music Studio – 1620 Lake Avenue NE Bemidji, MN 56601

Costs: \$75/8-week session for the first child; \$50/session for each additional sibling in the class.

If you have any questions about this class, please contact Ashley Hodapp at (218) 333-0706 or Ashley@bemidjimusicstudio.com
