Fall Registration

We hope that everyone is getting the chance to get out and enjoy the sunshine! With our summer lessons now more than half over, it's time to start thinking ahead to our fall schedule!

Each student will be receiving their Fall Registration Packet in July. Please take a few minutes to review our Studio Policy, and look at our 2011-2012 Calendar before returning your Registration Form.

As a general reminder, we begin scheduling lessons for those students who have returned their Registration Form and Studio Fee beginning August 8th. We will open up and begin taking registration forms from students on our waiting list beginning August 22nd. Those students who return their forms early will get the first choice of lesson days and times! Please remember that it is very difficult to reschedule lessons mid-year due to new activities and commitments, so whenever possible please try to look ahead through the entire school year when requesting lesson times.

Also, please note on your calendar that there is a scheduled week off of lessons at the end of November/beginning of December to accommodate some maternity leave that I will be taking. This does not affect your tuition, and there are still the same number of lessons offered as there are any other year. If you have ANY questions regarding the calendar/scheduling, please contact me.

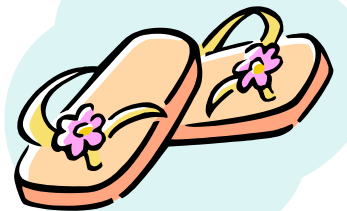

100 Day Club Party

Our 100 Day Club Party has been rescheduled for Wednesday, August 3rd from 5:30-7pm at Bemidji City Park located on 23rd Street.

All 100, 200, 300 and 400 Day Club members and their families are invited to join us! Please RSVP and sign-up to bring a dish to share in the Studio.

**Enjoy the rest
of the summer!**

Summer Performance Ideas

Watch for your local county fair information to come out with TALENT SHOW information!

It's a great way to do a little extra performing over the summer...and a great way to stay motivated!

As families get together over the summer months, try to include an informal performance or two!
